Dear Mr. Kimbrough:

On June 1, 2 and 3, 2011, an on-site monitoring of the Accreditation Facilitation, Educare, Out-of-School Time and Start Up & Expansion programs was conducted by the Department of Social Services, Children's Division, Early Childhood and Prevention Services (ECPS) section. Based on all documentation provided, the programs have been found in compliance with each requirement in each of the respective contracts PG0069337, Amendments 3, 4 7 & 1. At this time there is no further documentation needed. In the event additional questions arise, ECPS will request documentation at that time.

Thank you for your continued support of Missouri's childcare provider population. If you have any questions, I can be reached at (573) 751-4431 or by email at holly.m.otto@dss.mo.gov.

Respectfully,

Holly M. Otto
Program Development Specialist, ECPS
