Every Kid. Healthy food. Every day.

That's our promise. And that's how we'll end childhood hunger, by ensuring that no matter the time of day, or time of year, we'll be there for kids.

No Kid Hungry Missouri connects children in need with programs like school breakfast, afterschool and summer meals.

Working together with local organizations around the state, we generate the will and skill to help communities feed children in need every day of the year.
